The summary pages include the election wide totals as well as a breakdown for districts in which the contest appears.

**Sum Type** The summary consists of two pages, the first being the "\*\*\*\* Grand Totals" page which includes all ballots cast, the second being the "\*\*\*\* Absentee Totals" page containing only ballots that were cast by mail.

**Vote By Mail** (AKA NPP): These are precincts with less than 250 registered voters or no reasonable access to a polling site for which no polling place was established in accordance with the California Elections Code. Voters in these precincts are mailed an absentee ballot. Absentee registration counts include all voters within that precinct, not just absentees.
